

The Board of Directors' proposal regarding resolution on authorizing the Board of Directors to decide on new issue of shares, warrants and/or convertibles (item 14)

The Board of Directors proposes that the Annual General Meeting resolves to authorize the Board of Directors to decide on new issue of shares, warrants and/or convertibles, within the limits of the current Articles of Association, with or without waiving the preferential rights of shareholders on one or more occasions in the period until the next Annual General Meeting.

The issues should be at market subscription price, subject to reservation for a market discount where applicable, and apart from cash, payment may be as assets contributed in kind or through offset or subject to other terms and conditions.

The purpose of this authorization and the rationale for eventual waiving of shareholders' preferential rights, should be to raise working capital for the Company and/or to add new owners of strategic importance to the Company and/or acquisitions of other companies or operations.

The CFO, or anyone appointed by the Board of Directors, shall be authorized to make such minor adjustments of the resolution which may be required for registration with the Swedish Companies Registration Office (Sw. Bolagsverket).

In order for such a resolution to be valid, the proposal must have the support of shareholders representing at least two-thirds of the votes cast and shares represented at the Meeting.
